cZeus School League – Student Guidelines

How to start practising for Schools' cZeus Competitions?

Students can prepare successfully for the competitions by taking the following steps:

1. Open cZeus School League app and login with your email and password.
2. Select the “Light Class” path; complete its 14 levels and learn the puzzle Rules
3. On the main menu, select “Play” to go to the “Training Camp”
4. You can revise the Four Rules by pressing the Rules 
5. For the purpose of this competition, you only need to train for Mortal and Hero Classes.
6. Start training Mortal class and then Hero class, both in the “Sprint” play-mode

How to enrol in your school competition?

Your teacher should provide the name and password of your school's competition.

- open the app
- select cZeus Community 
- select Tournaments tab
- press the search button
- enter the competition's unique name and search
- request to join the competition

How to enrol in your school team?

Your teacher should provide the name and password of your school's team.

- open the app
- on the main menu, go to profile page by clicking on Profile 
- select "Join a team"
- enter your school's team password

Participate in Weekly challenges to train for competitions

- On the main menu, select "Tournament Hall" to see the available competitions.
- In this page, you can select to play in "Individual" or "Team" competitions.
- Take part in "Weekly Challenges" for both "individuals" and "teams", but only play the Mortal and Hero Classes.
